

CALCULUS I MAT 131, SPRING 2008

Prerequisites

In order to take Mat 131 you must have either passed Mat 123 or Mat 130 with a C or better, or have received a score of 5 or better on the mathematics placement exam.

Lecturers:

Lecture 1 (MWF 9:35am-10:30am) Lowell Jones; contact at 632-8248 or at lejones@math.sunysb.edu or come to office in 2-111 math. bldg.; office hours 12:00-1:00pm MWF.

Lecture 2 (TuTh 5:20pm-6:40pm) Qian Wang; contact at 632-4005 or at qwang@math.sunysb.edu or come to office in 4-120 math. bldg.

There are 3 recitation sections for Lecture 1 (recitations 1,2,3) and there is 1 recitation section for Lecture 2 (recitation 6). Be sure to register for a recitation section belonging to the lecture which you plan to attend.

Textbook

The textbook for this course is *Single Variable Calculus: Concepts and Contexts (Stony Brook Edition)* by James Stewart (Brooks/Cole 2006, ISBN 0-495-08145-0).

Course Material

We will cover most of sections 1.1-5.5 in the text; about one section per meeting. (See below for a detailed "Course Schedule".)

Homework

See the "Course Schedule" below for a list of all the homework assignments. Homework is assigned for each week and should be handed in the following week to your recitation leader during the second meeting your recitation for that week. Late homework will not be accepted. However, your homework grade will be based only on your 12 best HW grades out of a total of 15 HW.

Exams There are 4 pre-scheduled exams:

Early exam: Wed 2/13/08, 8:30pm-10:00pm;

Midterm I: Wed 2/27/08, 8:30pm-10:00pm;

Midterm II: Mon 3/31/08 8:30pm-10:00pm;

Final exam: Fri 5/16/08 11:00am-1:30pm.

There will be no make-up exams. If you continue with this course it is with the understanding that you are able to take all of the exams at the scheduled times. If you miss an exam because of illness or a severe personal problem then you must adequately document the reasons for absence; in

which case the average of all of your remaining test grades will replace the score for the missed exam.

Calculators

The use of calculators is not premitted during any exam. We also recommend that you try to do all homework problems without the use of a calculator.

Grading Policy

Homework=15%,
Early Exam=5%,
Midterm I=25%,
Midterm II=25%,
Final exam=30%.

Extra Help

The Math Learning Center (MLC) is located in Room S-240A in the math. bldg (on the S Floor). The MLC is open for buiseness most of each week day.

The lectures and recitation leaders will hold 3 office hours per week. Please ask your lecturer and recitation leader for these times.

Disability Support Services (DSS) Statement

If you have a physical, psychological, medical or learning disability that may impact your course work, please contact Disability Support Services at 631-632-6748 or at <http://studentaffairs.stonybrook.edu/dss/> . They will determine with you what accomadations are necessary and appropriate. All information and documentation is confidential.
