HAPPY THANKSSIVING

MAT132, Paper Homework 8

1. Thanksgiving is an important American holiday, and you should spend it hanging out with family and/or friends. Feel free to interpret the words "hanging out", "family", and "friends" in any way you wish.

2. On Thanksgiving, it is important to eat a festive food (typically turkey with a variety of traditional side dishes, but you should adapt accordingly to your dietary preferences), and especially pie. Pie is a critical ingredient in any Thanksgiving— eat lots of it.
